[Act 32 of 2020 wef 24/12/2020]

CHAPTER V – CAPITAL, PROFIT AND RESERVES

- Capital**
25. (1) The authorised capital of the Authority shall be 4,000,000 (Four Million) Maldivian Rufiyaa and may be increased from time to time by such amounts as may be proposed by the Board and approved by the President. No reduction of capital shall be effected except by an amendment of this Act.
- (2) Upon the establishment of the Authority the Government shall pay towards its authorised capital an amount of 1,000,000 (One Million) Maldivian rufiyaa and such further amounts as may from time to time, be proposed by the Board and approved by the President.

- (3) All capital of the Authority, as and when issued, shall be for the sole account of the Government and shall not be transferable nor capable of being claimed in a court nor subject to mortgage.

Profit

26. The net profits of the Authority for any financial year shall be determined by the Authority after meeting all current expenditure for that year and after making provisions for:

- (a) bad debts as determined by the Board, doubtful debts and depreciation of assets;
- (b) such other purposes as the Board may deem necessary; and
- (c) the redemption of any Securities issued by the Government under section 27(3)

provided that profits and losses arising under section 28 shall not be included in the calculation.

General Reserve 27.

- (1) The Authority shall establish its General Reserve to which shall credit at the end of each financial year 50 (Fifty) percent of the net profit of the Authority, until such time as the General Reserve is equal in amount to the authorised capital of the Authority, after which 25 (Twenty Five) percent of the net profit shall be credited to the General Reserve until the General Reserve is equal to twice the authorised capital. Once the General Reserve is equal to twice the amount to the authorized capital, the Authority shall credit to the General Reserve such amount determined by the Board.

[Act 23 of 2015 wef 17/08/2015]

- (2) After allocations have been made to the General Reserve under subsection (1) the remainder of the net profit of each year shall be transferred to the Government.
- (3) If the Authority should make a net loss which exceeds the amount of the General Reserve at the end of that year, a sum equivalent to such excess shall be paid to the Authority by the Government in non-negotiable, non-benefit bearing Securities.

Revaluation Reserve Account

28.

- (1) The Authority shall make a valuation of its Assets and Liabilities in gold, foreign currencies or other units of account at least quarterly.
- (2) The gains arising from any change in the valuation of the Authority's Assets or Liabilities in gold, foreign currencies or other units of account, as a result of alterations of the

external value of the Maldivian Rufiyaa, or of any change in the values, parities, or exchange rates in respect of such Assets in relation to the Maldivian Rufiyaa shall be credited to a Revaluation Reserve Account and neither they nor the losses arising from any such change shall be included in the computation of the annual profits and losses of the Authority.

- (3) The losses arising from any such change shall be set off against any credit balance in the Revaluation Reserve Account. Notwithstanding any other provision of this Act, if such balance is insufficient to cover such losses, the Government shall issue to the Authority non-negotiable, non-benefit bearing Securities for the amount, required to adjust such losses.
- (4) Any credit balance in the Revaluation Reserve Account at the end of each financial year of the Authority shall be applied first to the redemption of any Securities issued under subsection (3).

[Act 23 of 2015 wef 17/08/2015]

- (5) No credits or debits shall be made to the Revaluation Reserve Account except in accordance with the provisions of this section.
